Sir/Madam:

A Certificate of Correction under 35 U.S.C. 254 is hereby requested to correct a Patent Office printing error in the above-identified patent. Enclosed herewith is a proposed Certificate of Correction (Form No. PTO-1050) for consideration.

It is requested that the Certificate of Correction be completed and mailed at an early date to the undersigned attorney of record. The proposed correction is an obvious one and does not in any way change the sense of the application.
